

Fairhaven High School

UN17Y Through Tradition

Dedication

When I was asked to write a dedication to Mary Jane Muello, I immediately thought “Where do I begin?”. I met Ms. Muello nine years ago when I was touring the building as a final candidate to become your principal. We met briefly in her office and connected right away. Was it that we both had a starfish pin on our lapel? Maybe. You see the starfish pin is a symbol of never giving up. Maybe that’s a place to begin, the starfish story...

A young girl was walking along a beach upon which thousands of starfish had been washed up during a terrible storm. When she came to each starfish, she would pick it up, and throw it back into the ocean. People watched her with amusement.

She had been doing this for some time when a man approached her and said, “Little girl, why are you doing this? Look at this beach! You can’t save all these starfish. You can’t begin to make a difference!”

The girl seemed crushed, suddenly deflated. But after a few moments, she bent down, picked up another starfish, and hurled it as far as she could into the ocean. Then she looked up at the man and replied, “Well, I made a difference to that one!”

The old man looked at the girl inquisitively and thought about what she had done and said. Inspired, he joined the little girl in throwing starfish back into the sea. Soon others joined, and all the starfish were saved.

— Adapted from *The Star Thrower*
by Loren C. Eiseley

As we discussed our philosophies and beliefs, I was excited about the prospect of working with Ms. Muello- an educator who clearly cared deeply about ALL students. The road can be a tough one, but continuously seeking the greater good has been our mission. Building relationships with students, working tirelessly toward their growth, connecting with families has been the backbone of our school’s success. Ensuring every student has someone in their corner, even when it can be difficult, is critical in today’s educational climate. Ms. Muello has not only embodied that belief system, she has served as an exemplary example of what being an assistant principal should look like. An unbreakable commitment to her students, an unwavering belief in their ability to “right their wrongs”, and a work ethic that is second to none and demonstrates that not only does she believe in the starfish story, but she has lived it! Fairhaven High School is very fortunate to have had such an amazing person caring for its students for the past 15 years. There are not enough words to express the gratitude that I have for her tireless commitment to shift the culture of what it means to be a member of the FHS family.

Best wishes to one of the very best!

With deep gratitude and appreciation,

Mrs. Tara Kohler

Dedication

Mrs. Kohler has served as our principal since 2008. In Fairhaven High School's 111 year history, Mrs. Kohler is the first woman appointed as principal. She has graced our school with her exceptional leadership skills, sense of fairness, professionalism, and dedication.

She believes deeply in the philosophy that all students can succeed and achieve at the highest levels. Her ability to communicate and support high standards has had a positive impact on the success of Fairhaven High School. She is a person of great integrity and honesty and has consistently been a tenacious advocate for providing our students, faculty and staff with an environment rich with meaningful academic and technological opportunities, within a culture that is both positive and respectful. She understands the power of team building, respecting the ideas of students, parents, faculty, staff and community members.

The spirit of Mrs. Kohler's professional philosophy is embodied in a quote by Rita Pierson, which you will find on the wall in Mrs. Kohler's office. "Every child deserves a champion: an adult who will never give up on them, who understands the power of connection and insists they become the best they can possibly be." This quote is a true reminder of who Mrs. Kohler is and all that she stands for and believes in. Our students have been the benefactors as a result of her vigilance to this belief.

We wish Mrs. Kohler continued success in her new position as the Assistant Superintendent for the Fairhaven Public School System. We know that she will bring the same passion, devotion and exceptional leadership skills to this position. Thank you Mrs. Kohler for all that you have done for the students, faculty, staff and families of the Fairhaven community.

UNITY

"These past 4 years we have created a symphony. Each of us working together, united. The ups and downs from freshman year, and now, to graduation have been the notes which blend together and create OUR OWN perfect chord.

We are all different; in the way we look, speak, think, act, and in who we are. In these past 4 years our differences have united us. We are different and that is what makes us strong."

-Sarelle Veitch, senior,
excerpt from
VESPER reading

"I think unity at FHs means we all support each other and whatever we do, whether its sports, academics, or clubs. We all take pride in each other's successes."

-Jillian Brodeur, senior

"Uniting different races, different genders, different backgrounds, and different ideas."

-Alex Stalter, senior

UNITY

UNITY logo designed by senior Sarelle Veitch

"It means to be together as a community and to get along and accept each other."

-Megan Lafleur, senior

"Everyone is brought together, everyone knows everyone."

-Savanna Holmstrom, senior

"One big Family."

-Beau Raymond, senior

Yearbook Staff

This year's yearbook has been one of the best things I have participated in throughout high school. I have had the opportunity to look back on my own memories and the memories of my classmates over the years. We all have come a long way from freshman year and have had many accomplishments. We have been with each other through good times and bad. These experiences have united us from being two small towns to one big-hearted school. I know that wherever the future takes us, the Class of 2017 will be able to appreciate our high school experience. Thank you for being a part of mine.

Class of 2017

A Message From Your Class President

Dear Class of 2017,

Four years ago, we all walked through the same doors as different individuals. Although we continued to sprout into unique people, it did not take long for us to grow into one big Blue Devils family. Over the course of our years here, we have all experienced difficult trials. However, for every trial we faced, there was an even greater success. We have learned from our experiences and grown together. While expanding our knowledge of the world, we also grew as people and discovered things in life that we now hold precious to our hearts. As classmates, we have challenged each other to become better students, but as friends, we have inspired each other to become better people. Our class has always pushed the envelope, stepping out of and beyond our comfort zones. It wasn't always graceful, but we were always bold. We were never afraid to express ourselves proudly, and we never hesitated to support each other for who we are. When our individual distinctiveness unifies as a class, it creates something truly special. On behalf of the class officers and myself, we would like to thank you with sincere gratitude for the opportunities you have given us. It has been an honor to serve you for the past four years. There is no doubt that we will make this world a better place; our futures are so bright. Best of luck Class of 2017!

Clubs & Activities

Drama Club

The objectives of the Drama Club are to promote student interest in Theater Arts, allow students the opportunity to perform in all areas of theatrical production, and to create artistically professional-like productions of musicals performed in the spring.

Treble Choir

A female choir that sings a variety of repertoire, ranging from the Renaissance to modern a cappella arrangements. Students in this group perform in various concerts and participate in the yearly music department trip and competition.

BDTV

The mission of the media production club is to inform the Fairhaven High School community of important announcements including class schedules, club and activity meeting times, class announcements, sports information, weather, and most importantly, lunch options. Students gather each morning to broadcast a live T.V. news show to all of Fairhaven and the high school.

Clubs & Activities

Honor Society

The National Honor Society is a recognition program for high school students who show achievement in scholarship, leadership, service, and character. Members compete academically against local schools in the South Coast Conference, provide tutoring, participate in community service projects and help with various school events and activities.

Interact Club

The FHS Interact Club encourages involvement in our community through volunteering. Students work together to identify needs in the community and then formulate community service activities. Each year the club participates in both large scale service projects like The Walk for Hunger, as well as smaller activities such as a local food drive at Thanksgiving, and running a winter clothes and can drives.

Co-Presidents: Jessica Rinker, Alexis Souza

Vice President: Mira Yin

Math Team

The Fairhaven High School Math Club competes with local schools in the South Division of the Southeastern Massachusetts Math League.

Clubs & Activities

Book Club

The purpose of the Book Club is to enjoy the company of others who enjoy reading for pleasure, and to discuss and share our love of books and reading

President: Jessica Rinker

Chess Club

The chess club is open to any F.H.S. student who has the desire to learn how to play chess or who already knows how to play chess. The chess club emphasizes a commitment to sportsmanship, cooperation, and leadership, as well as sharpening higher order thinking skills.

Robotics Club

The Robotics Club builds and programs robots that compete in various competitions across the state.

Yearbook Club

The Yearbook Club meets throughout the school year to produce the Huttlestonian Yearbook. Students decide the theme, ladder, and page layout.

Clubs & Activities

Creative Writing Club

The creative writing club seeks to develop artistic expression through words. We respond to mentor texts and prompts as well as develop and workshop independent projects. Students write in a variety of genres--poetry, short stories, novels, and screenplays.

President: Jessica Rinker

Student Council

The overall goal of student council is to work with administration, staff, and students to try to create a more civic minded school with a focus on community involvement while at the same time bringing the Fairhaven High School Community closer.

World Language Club

The purpose of the World Language Club is to promote the understanding, awareness, and appreciation of different cultures of the world. Activities will explore languages and cultures from all over the world.

President: Lauren Arbec

Vice President: Isabella Furey

STAND

The purpose of the group is to educate others about the issues of diversity, prejudice and discrimination.

Clubs & Activities

Art Club

The F.H.S. Art Club offers our students the opportunity to create and share artistic expertise, participate in critiques of their work and the artwork of their peers, and to also gather together to create artwork to sell for fundraising events

President: Jacob Cabral

Vice President: Eve Hartig

Secretary: Madyson Pires

Band

Band, a place to explore, write, and perform music of different styles and genres from Medieval to hip hop. Through hard work and determination we make the world a better place through our music.

Concert Choir

A mixed ensemble that sings a variety of repertoire ranging from the Renaissance to modern a cappella arrangements. Students in this group gain access to music festivals including Senior District and SEMSBA. They perform in various concerts and participate in the yearly music department trips and competitions.

Clubs & Activities

Orchestra

"Music gives wings to the soul" - Aristotle
Orchestra is a class where it doesn't matter where you start, but rather where you end. The timeless melodies that have enthralled the world for centuries are explored and performed by both string and full orchestra.

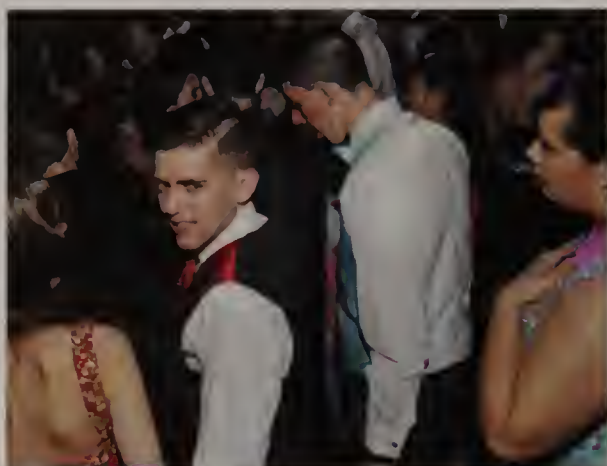

Environmental Club

The purpose of the environmental club is to promote environmental awareness and to create a more sustainable and "greener" F.H.S. community.
Officers: Hannah Nordstrom, Noah Duarte, Abigail Rose

Jazz Band

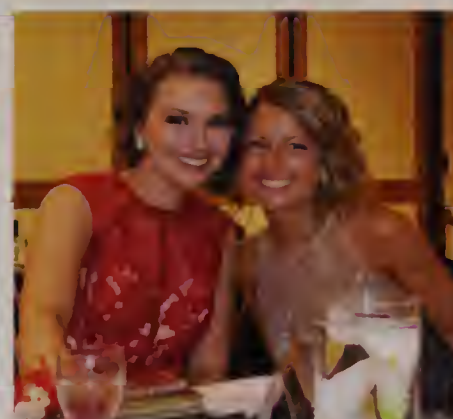

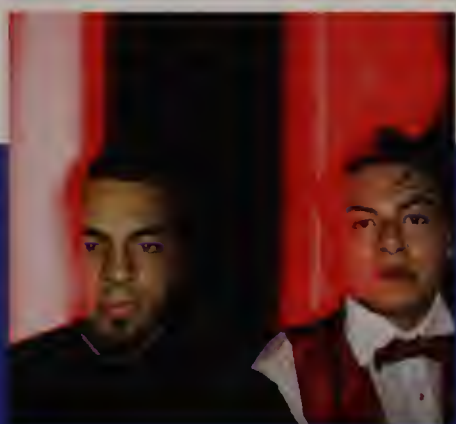

Students learn how to play in the jazz and popular style idioms. Students also experience the art of improvisation, working with a small combo of instruments, and playing solo parts. The Jazz Band performs at all school concerts, festivals, and out of school functions where required.

Junior Day 2016

Spirit Week

The week of October 17th another one of Fairhaven's memorable Spirit Weeks was held. Of course the week brought so much spirit and creativity to the students and faculty. Monday, traditionally, was Senior Day. This year the seniors' theme of the day was "Red, White and Blue (America) Day." Outfits ranged from the American Flag to an Eagle. It was a perfect themed day due to the Presidential Election being two weeks away. To the right are highly spirited Seniors showing off their Red, White and Blue.

America Day

History Day

Tuesday was History Day. Students dressed as influential figures from the past and present who hold positive images. Students dressed as Audrey Hepburn, Anne Frank, Micheal Jackson, and Elvis.

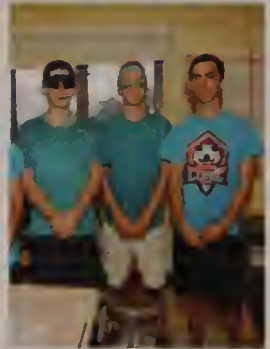

Color Day

Freshmen wear Orange for Leukemia.

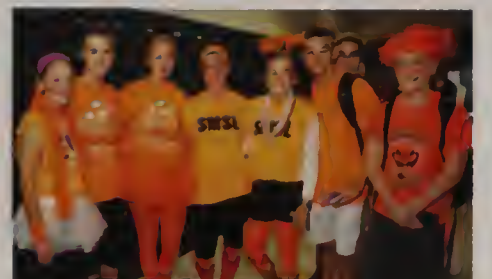

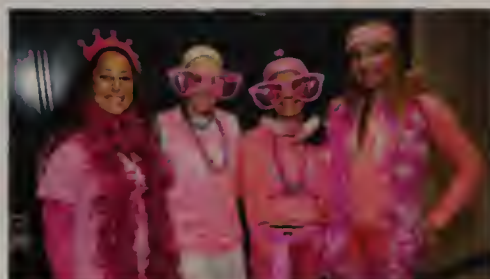

Sophmores supporting Ovarian Cancer in teal.

American Heart Association is represented by the Juniors in Red.

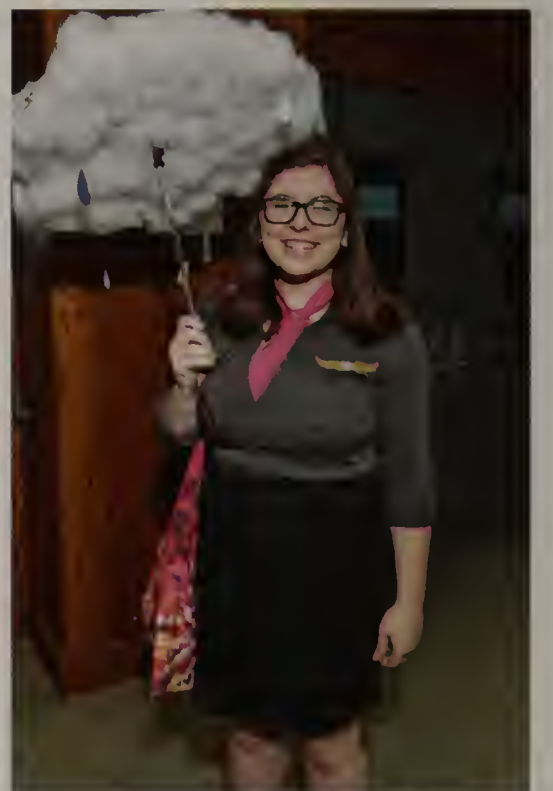

Wednesday was Color day, another annual tradition. Each class wore a different color to support a cause. Seniors wore pink for Breast Cancer, Juniors wore red for the American Heart Association, Sophmores wore teal for Ovarian Cancer, and Freshmen wore Orange for Leukemia. The total profits surpassed \$1,000!

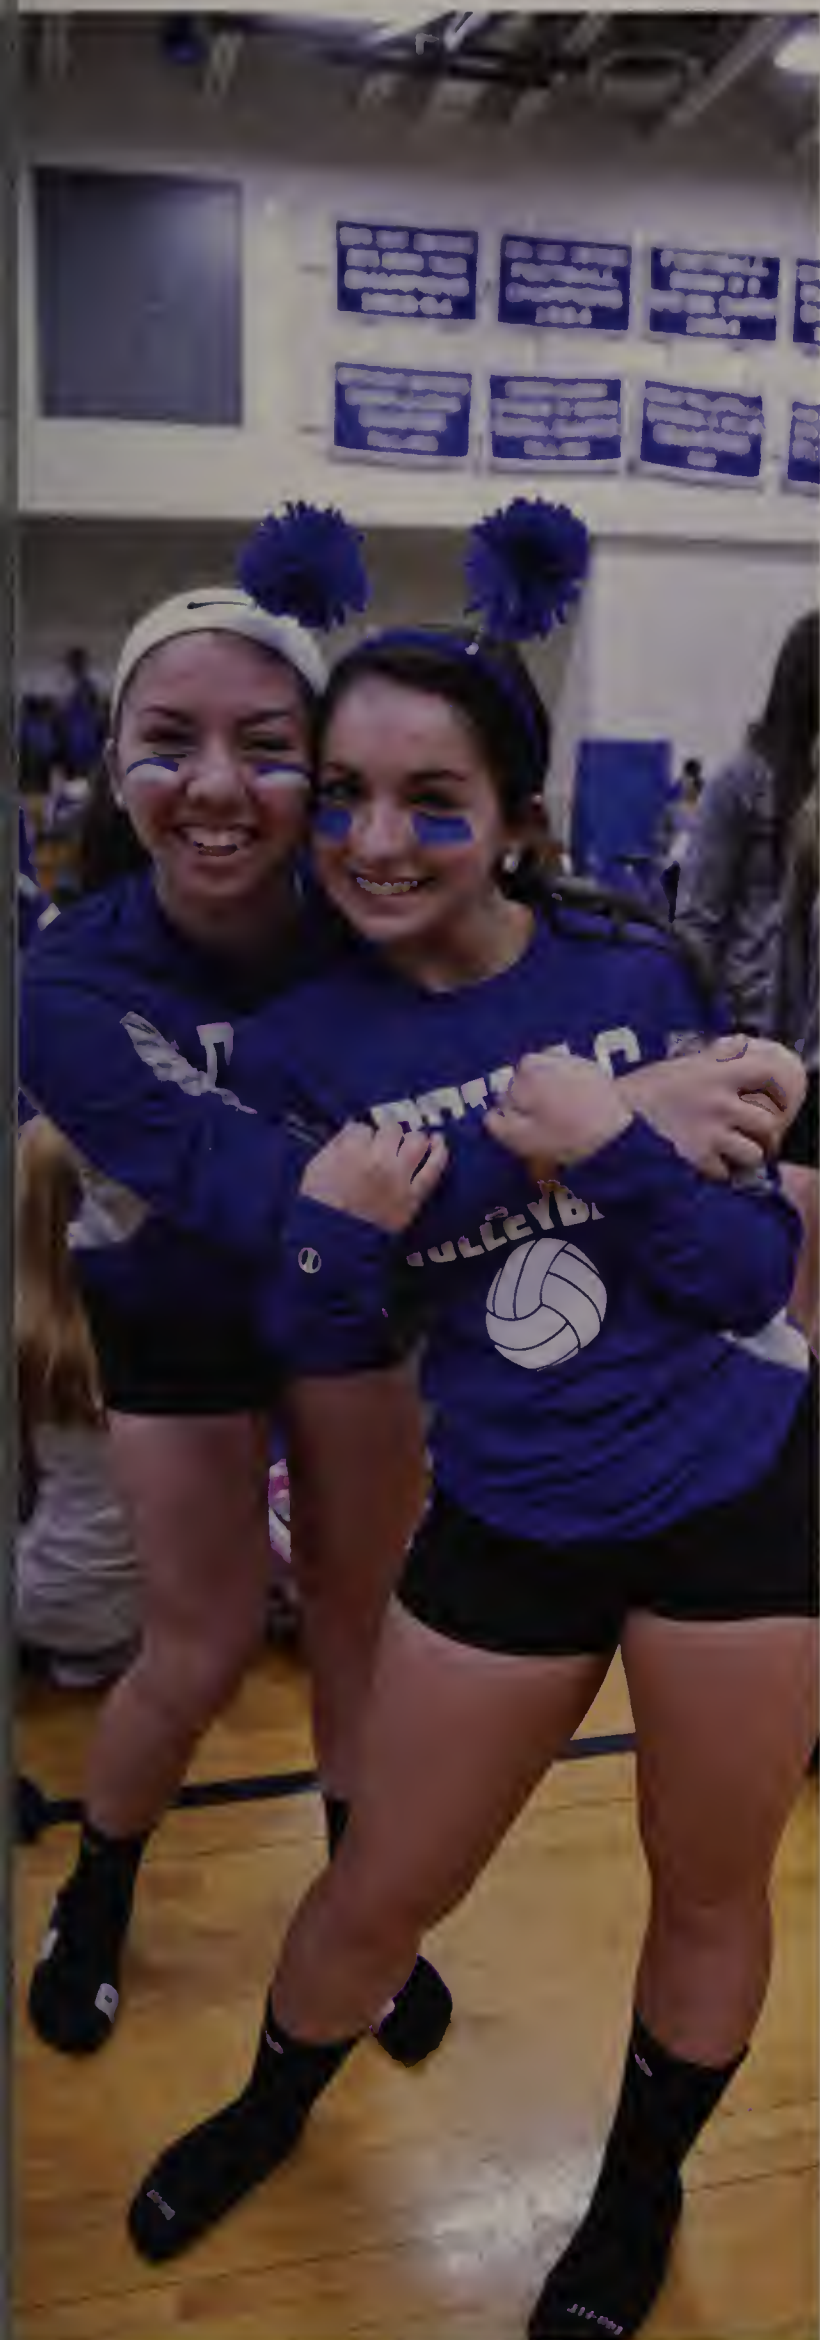

Costume Day

Thursday housed the creative costume day, a usual favorite. Students came to school and mesmerized their peers and teachers with their imagination. With Halloween so soon to follow, the excitement for this day showed.

Blue and White Day

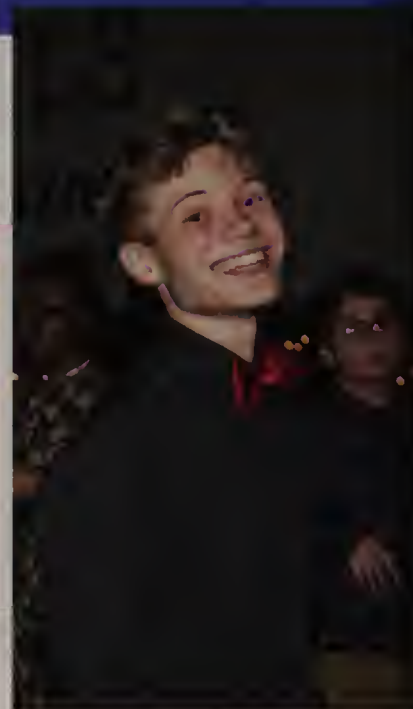

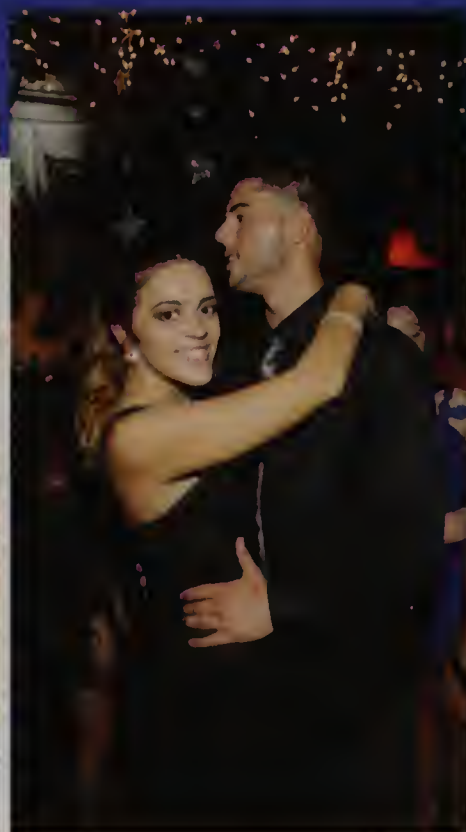

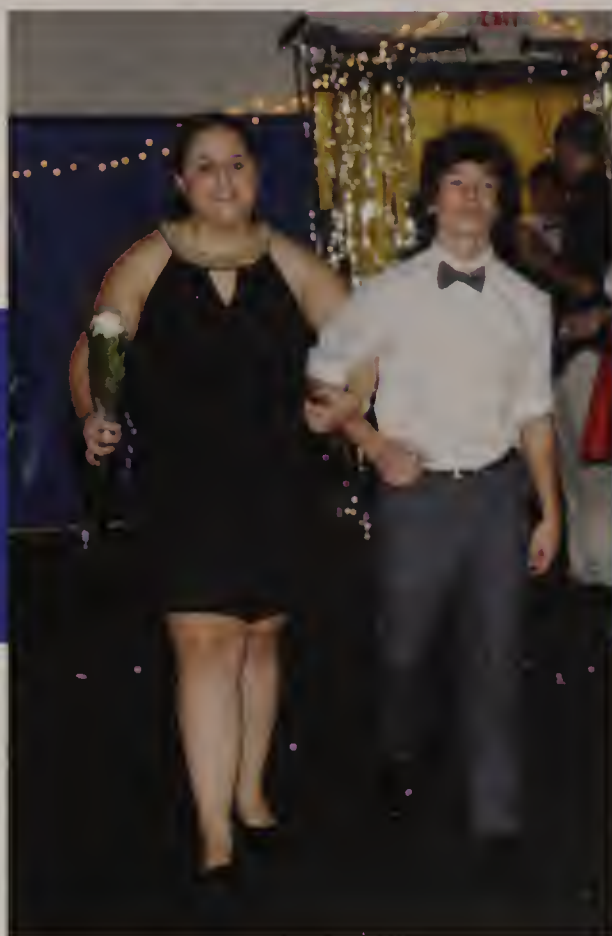

Blue and White Day! By far the best day of the week. The energy levels in the school on this Friday proved just how much spirit our unique school contains. Pride. Excitement. Cheer. BLUE. WHITE. DEVILS. All these words overflowed in Fairhaven High School throughout the day.

Student

What is it like to be a student

"It is an
odyssey into
greater
education."

-Ross Brown,
senior

"Its a fun and lovely
experience to
acquire more
advanced
knowledge and
unbreakable
friendships <3..."

-Ezra Noonan, junior

"It is challenging, but it pushes
you to strive for greatness."

-Will Eliot, junior

"You're free to be yourself."

-Austen Acevedo, junior

Life

at Fairhaven High School?

"The teachers
are always
there to
support you."

-Chance Negalha,
junior

"I am grateful
being a student at
Fairhaven, I don't
take my education
for granted."

-Jacob Rymut, junior

"Comforting because you
know people's
personalities. We're all the
same but we're all not."

-Alexandria Pereira, junior

Student

"It's great to have friends who support me through my struggles."

-Hunter Lopes, sophomore

"Coming to Fairhaven High taught me to always work hard, and it also brought me my bestfriends and my boyfriend who I am extremely grateful for."

-Kennedy Figuredo, senior

"I think being a student at Fairhaven High gives me opportunities to become a better person in life."

-Klarisa Dasilva, junior

Life

"At Fairhaven High I feel like I am part of a very big family and that everyone supports each other and respects the individual passions and talents of each student."

-Olivia Nunes, junior

"Its amzing, everyone is close-knit to each other."

-Sierra Canastra, senior

"Everybody is there to help."

-Tyler Periera, freshman

Golf

The 2016 FHS Golf Team would like to thank Coach Kevin Reedy for accepting a new team and guiding us into becoming a greater team in the future. With many first time players, our team succeeded over Wareham during both matches and stayed reluctant against other opponents. Although we did not win SCC's as our past team did in 2015, the 2016 team consisted of learners who hope to do well in the future. We'd like to thank all the current seniors who played in the past and wish them a great future. Let's go FHS Golf Team 2017!

Boys & Girls Cross Country

At the beginning of our season the girls started off with a double win, and then wins continued throughout the rest of the season finishing with a record of 7-1. The boys fought hard all season and ultimately ended with a 2-6 record. At the conference meet the girls came in second overall and the boys placed 6th. Continuing onto the state meet, 6 boys and 7 girls qualified for states. At states, our top runner Samantha Fernandes placed 14th and was able to compete in the All-State meet. The highlight of the season for our girls was beating Seekonk for the first time since before our seniors were freshman. The highlight of the season for our boys was beating the losing streak that plagued the boys since the previous year. The seniors had an amazing last season with the team and wish everyone luck in the future.

Football

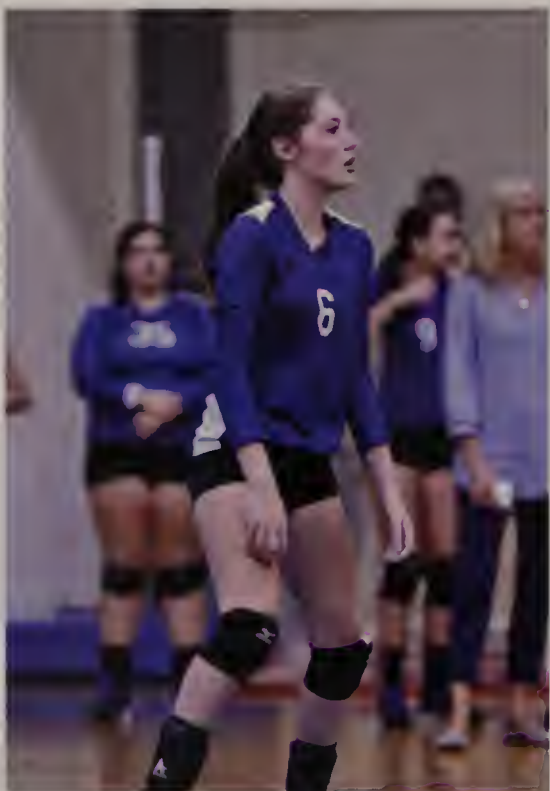

Football

The captains of the football team would like to thank the coaches and all the players for the hours of hard work and dedication they put in throughout the season and our 4 years of playing. We were able to achieve goals that we've had since we were freshman. For the first time in 4 years we beat New Bedford Voc. This season we also made it to playoffs, and we were able to achieve our first post-season win in 4 years, the only one of our time at Fairhaven.

Girls Volleyball

The captains would like to thank our team and coaches for an amazing last season. We were able to finish the regular season with a 11-5 in conference record and 17- 7 overall and qualified for tournament for the 16th straight year. We accomplished one of our biggest goals for the season of defeating New Bedford at home, and went into post season, all excited to see what we could do as a team. In the preliminary round of post season we beat Old colony 3-0, in the quarter finals we beat Westport 3-1, and in the semi finals we beat Sacred Heart 3-1, which brought us to the South finals where we ended our season. The three seniors want to wish the best of luck to the team for next year, we will miss you guys and hope that you can accomplish even more victory in the fall.

-2016-17 Volleyball Captains

Boys Soccer

Although the Boy's Soccer Team didn't end the season with the best record, we proved a lot of people wrong by putting up a great fight with a young and promising team. We made it difficult for teams although we didn't have much height or experience.

Girls Soccer

Field Hockey

The three of us were honored to be tri captains for the 2016-17 season. We had a young team and are incredibly proud of everyone's hard work and commitment. Although our record was not a winning one, we had so much fun. We hope the field hockey team continues to grow in the future.... AND BREAK!

Cheerleading

Hockey

We had a great season and I want to thank the coaches and my teammates for how we ended the season 19-3, being the number 5 seed. We all fought our way through the playoffs to make it to TD Garden. Even though we lost, it was still a thing I will never forget. We won the SCC title all 4 years but that wasn't the goal. The goal was getting to the Garden and we did. Win or loose, playing at the garden was an amazing experience I would like to wish my team. Good luck for next year!

- Ryan Labonte

Girls Basketball

Fairhaven High School Girls Basketball finished their 2016-17 season with a record better than that of the past two years. The girls focused on perfecting the basics and building for the future seasons to come. The team would like to thank Coach Perry, Coach Joseph, Coach Greene, and the help and dedication of Kara and Kayleigh Charette throughout the season.

Boys Basketball

This year was not the year the boys team was hoping for. We fought hard and gave each team a hard time despite the majority of the season resulting on the losing end. The future is bright with many returning players and a new coach to build the program!

Girl's Track

Boy's Track

This season has been an improvement on last year's zero win season, although the team only got two wins this season many meets were closer than they were last year. The team is a very young with tons of potential for improvement due to how many members of the track team are underclassmen. The track team has been its largest size compared to previous years and for the boys team there are only a total of two seniors that will be lost after the year is through. The team shows great promise for the years ahead.

Baseball

Over the last four years the baseball program can be described with one word... "Pride". Playing for FHS you have to come ready to give 110% and play with pride. As seniors we expect the younger players to show up everyday with their heads on straight, ready to continue the tradition that comes with playing for the Fairhaven High Baseball Team.

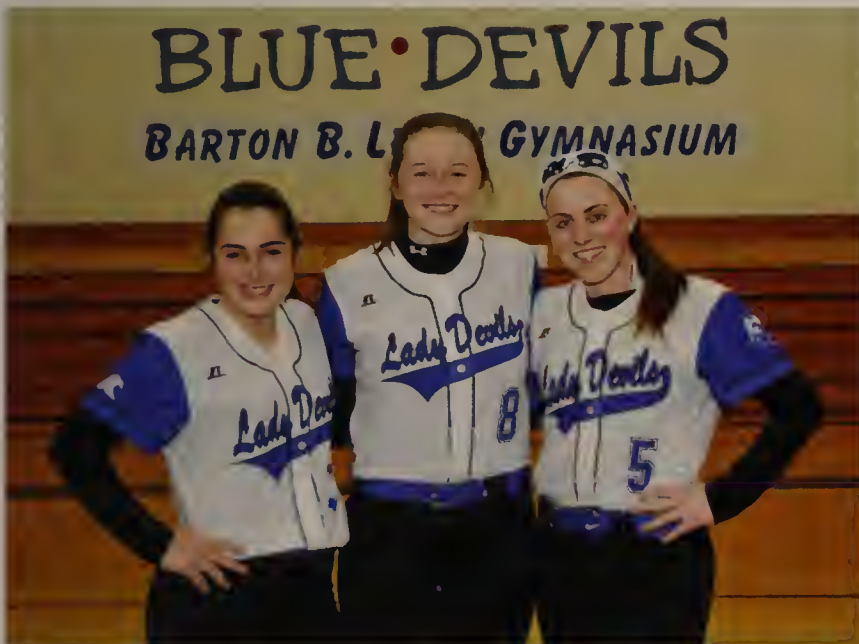

Softball

BLUE DEVILS
BARTON B. LEACH GYMNASIUM

Success. It's the one thing each sports team strives for each and every season. Despite all the highs and lows that come with each season, the Fairhaven High softball program always seems to achieve a successful one. Within the past four years the Varsity team has qualified for all four tournaments and during the 2016 season were finalists in the Division Two South Sectional Finals. This group is full of amazing talent, coaching staff and unique personalities. What us seniors and returning players would like the new comers to get out of the program is the experience. There is nothing that can compare to playing on a team like this, with such great talent and potential.

BLUE DEVILS
BARTON B. LEACH GYMNASIUM

Girls Tennis

Boys Tennis

Boys Lacrosse

This years lax team had a lot of strong players who worked well together and were able to execute and play as a unit. Our team chemistry was great this year. With high hopes we strived for greatness.

Girls Lacrosse

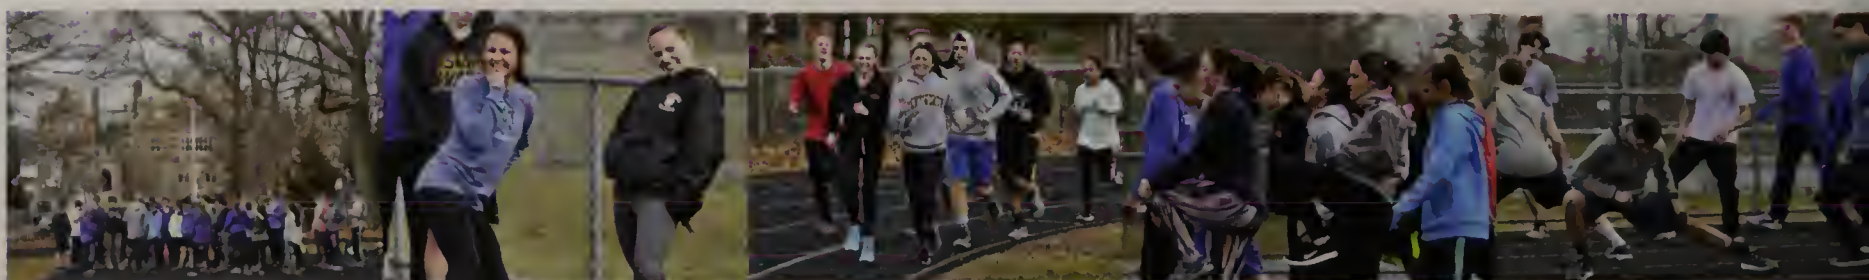

BLUE DEVILS BARTON B. LEACH GYMNASIUM

The Fairhaven girl's lacrosse team had the tough task of defending their third consecutive SCC championship title. With a young team and few returning players, the Fairhaven High girl's lacrosse team focused on teamwork and perfecting the basics in order to finish the season strong.
